

BIG TOP WAVE

Introducing Pan Pacific's **Big Top Wave** Bag, a unique shaped wave style bag that provides for various carry out applications. It can be manufactured with a single ply 2" round die cut or with a reinforced patch handle that allows the bag to be produced in thinner gauges without sacrificing strength.

- ✓ Big Top Wave patch handle offers an effective alternative to traditional wave top bags
- ✓ Wide opening top that allows for easy loading and unloading
- ✓ Unique reinforced handle available on Big Top Wave patch handle version
- ✓ The patch handle provides source reduction by offering a thinner body weight
- ✓ Reinforced handle version offers an easy opening feature
- ✓ Contains a minimum of 30% recycled material
- ✓ Available in LDPE or HDPE
- ✓ Printing available up to 6 colors on 1 side
- ✓ Custom sizes available with minimums as low as 6,000 bags
- ✓ Standard 4-6 week domestic lead times
- ✓ Big Top Wave Bags are RECYCLABLE in both formats
